Policy & Registration

GENERAL

Please arrive 5-10 minutes early for class as this will ensure that we start on time. The duration of the class is 3 hours with a break mid way.

Please be punctual with drop offs and pickups for minors as I am unable to supervise after someone leaves the space.

IMPORTANT!! Please refrain from coming to the masterclass with strong scents on. Others and myself are highly sensitive. This includes strong lotions, perfumes, strong deodorants, detergents, hairsprays, colognes, essential oils etc.

Please wear comfortable clothing you are able to move in and ensure you have a water bottle.

I do not tolerate any abusive behaviour towards myself or towards fellow participants. I expect that everyone is treated with kindness and respect.

There may be other opportunities to share your work publicly. These opportunities come in many forms such as talent shows, events, adjudicated and non adjudicated festivals, recitals etc. All parents and or guardians will be notified as consent and sign up will be needed.

Audio or video recordings within the performance workshop are prohibited to protect the privacy of all participants. Any public performances may be recorded.

If you are ill, please do not attend. Singing is known to heighten the spread of germs and we don't know the health history of attendees.

WITHDRAWAL OR ABSENCE

There are NO refunds once you've registered for the Performance Masterclass.
